

CITY OF AMARILLO AMERICANS WITH DISABILITIES ACT

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990, the City of Amarillo will not and does not discriminate against qualified individuals with disabilities on the basis of disability in the City's services, programs, activities, or employment practices.

The City of Amarillo will provide appropriate auxiliary aids and services, including qualified sign language interpreters and assistive listening devices, whenever necessary to ensure effective communication with members of the public who have hearing, sight, or speech impairments, unless to do so would result in a fundamental alteration of its programs or an undue administrative or financial burden. A person who requires an accommodation or an auxiliary aid to participate in a City program, service, or activity, should contact the sponsoring Department at 806-378-3000 as far in advance as possible, but not later than 48 hours before the scheduled event.

The City of Amarillo can be reached by telecommunications devices for the deaf (TDD) at 378-4229 and through the Texas Relay Service at 1-800-735-2989 (TDD).

Complaints that a City program, service, or activity is not accessible to persons with disabilities should be directed to Judy Phelps, ADA Coordinator, at 806-378-6842 or the sponsoring City Department. TDD service is available to all City Departments through 806-378-4229.

The City of Amarillo will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modifications of policy.
